## What did you learn about the bible?

The Bible is like a collection of many different books. There is a total of ____ books in the bible. God speaks to us when we read the bible!

## What do you remember from Jesus' parable?

*Fill in the blanks*

One day, a _____ had 100 _____. He noticed that one of his _____ was _____. He decided to go ____ for it. When he found it, he was happy and gathered all his _____ to _____!

## What did we learn from today's parable?

The parable of the lost sheep teaches us that God's love for us is off the chart - it's unconditional. Nothing we could ever say or do can separate us from God's love for us. How amazing is that?

Who in your life are YOU called to love? How can you show them you love them?

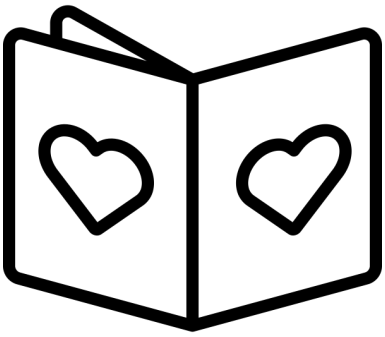
## Bring this story to life:



Make a card telling someone you love just how much they mean to you! Put time and effort into this card - add beautiful pictures, words, and colours! If you need to, get an adult to help you to write down reasons why you love this very special person inside the card.

When you are done, mail the card to that special someone! When we tell others how much we love them, that is a way that we can spread God's love for them, too!

## Reflection questions:

*How does it make you feel to know that God loves you no matter what?*

*Do you think it's easy to love people unconditionally?*

*Who are the people in your life you can try and love unconditionally?*
