What did we learn from today's parable?

The parable of the Good Samaritan teaches us that it's important that we love our neighbour. Now, that doesn't mean that you only need to love the people who live next door to you, this means we are called to love everyone, no matter who they are or where they live, no matter how nice or how mean they might be toward us! That can be a pretty tough job, sometimes! It's not always easy to love everyone, but it makes God so happy when he sees us trying our best to love and be kind to one another.

Do I do my best to love and be kind to others, even when it may be hard to love them?

Bring this story to life:

Do some acts of kindness for people in your community. Here are a few ideas:

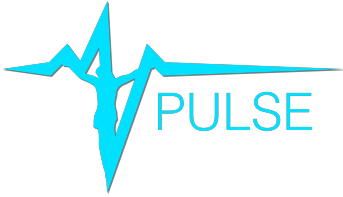

- Give away old toys or clothes that you don't need anymore to someone who is in need.
- Bake cookies and give them to someone.
- Call a friend or family member just to say "hi" and ask how they're doing.
- Write some kind messages with chalk on the sidewalk.
- Draw a nice picture and put it in a neighbours mailbox.

Reflection questions:

Why do you think the priest and temple servant did not stop and help the man?

Has there ever been a time where you felt compassion for somebody?

Which people in your life are considered to be your neighbour?

Thank You - Sorry - Please

In the name of the Father, and the Son, and the Holy Spirit.

Thank you Jesus for...

Sorry Jesus for when I...

Please Jesus...

The Good Samaritan - Craft

The parable of the Good Samaritan teaches us that we need to love our neighbours. How can you love your neighbour?

Helping Hands Tree - Craft

You will need:

- Green and brown paper (but any colour of paper you have will work!)
- Marker
- Scissors
- Glue

Instructions:

1. You will be making a helping hands tree.
2. Create a simple trunk with brown paper. This can be as simple as keeping the brown sheet of paper just as it is!
3. Every time you do a good deed for someone else, you trace your hand on a piece of green paper.
4. Cut out the hand.
5. Write down the good deed that you did on the hand you just cut out.
6. Glue the hand onto your tree.
7. Continue to add hands for each good deed you do for someone else.

How big can you make your tree grow with all the good deeds you did?
