What did we learn from today's parable?

The parable of the Good Samaritan teaches us that it's important that we love our neighbour. Now, that doesn't mean that you only need to love the people who live next door to you, this means we are called to love everyone, no matter who they are or where they live, no matter how nice or how mean they might be toward us! That can be a pretty tough job, sometimes! It's not always easy to love everyone, but it makes God so happy when he sees us trying our best to love and be kind to one another.

Do I do my best to love and be kind to others, even when it may be hard to love them?

Bring this story to life:

Do some acts of kindness for people in your community. Here are a few ideas:

- Give away old toys or clothes that you don't need anymore to someone who is in need.
- Bake cookies and give them to someone.
- Call a friend or family member just to say "hi" and ask how they're doing.
- Write some kind messages with chalk on the sidewalk.
- Draw a nice picture and put it in a neighbours mailbox.
